

TACKLEY CE Primary School

Primary PE and Sports Grant 2017/2018

At Tackley CE Primary School we welcome the Department for Education vision and objectives for Primary PE and Sport:

Vision: ALL pupils leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. The continued engagement of all pupils with a particular focus on Special Educational Needs and Disabilities and Pupil Premium Grant children.
2. Continue to raise the profile of sport in across school and within the community
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broad experience of a range of sports and activities offered to all pupils as well as healthy lifestyle courses for targeted children
5. Increased participation in competitive sport for SEND and PPG children

Reflection – What have we achieved and where next?

2016 - 2017 saw School Sport and Physical Activity take a higher profile across school. More than 50% of KS2 children took part in inter-school competitions including; netball, rugby, tennis, tri golf, Ultra Olympics and swimming. Sporting achievement in and out of school was recognised on a weekly basis in our celebration assemblies. PE provision was also supported by Club Energy sports providers who have worked alongside our teachers to develop their knowledge and skills in teaching PE. Our achievement was recognised when school was awarded the Bronze Sports Mark

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	90%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	90%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	90%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Planning for 2017 - 2018:

This year we wish to maintain the broad range of Sport and activities offered to our pupils and improve participation by KS1, SEND and PPG groups. We hope to reach a target of 75% KS2 children taking part in inter-school competitions and to offer wider provision through Forest Schools and curriculum sports enrichment days to vulnerable learners and children who often choose not to engage with sport. We also want to create greater opportunities for children to experience sports and activities that would not usually be available in the PE curriculum to inspire and encourage wider participation in sport. In addition we hope to build sustainability in PE provision by improving staff confidence and knowledge in the progression of skills in PE

To this end we will:

- Maintain our commitment to the Woodstock Partnership of Schools Primary School PE and Sports Agreement
- Offer an extra curricula club to encourage children into sport, physical activity and healthy lifestyles
- Target specific, sometimes 'hard to reach' groups – ensuring they have access to sporting and physical activity opportunities aimed at boosting confidence and improving wellbeing, including Forest School
- Work to ensure all staff feel confident in offering PE opportunities, through developing a progression of skills against which they can plan and measure progress in PE and seek to develop resources available to support the planning and delivery of PE in the future.
- Plan expenditure of the Primary PE and Sports Grant as follows:
