

# Destination: Unknown Year 1/2 Summer Term

## Religious Education: Can stories change people?

How should you spend the weekend?

## Physical Education:

As sports men and sports women we will begin by spending our PE sessions learning our May Pole dances ready for the wonderful May Day celebration. After this, we will turn our focus to athletics in preparation for sports day. Don't forget to get some training in ready for the parents race!

## Key areas of learning:

As **Scientists** we will be working in the garden! We will be learning about how plants grow, the different things they need to grow as well as the role plants have in sustaining life on Earth. We will also be exploring different uses and specific uses of those materials and why.

As **Design Technologists** we will be designing clothing for an explorer. Perhaps a scarf, or a top or a hat? You decide!

As **Artists** we will be developing our painting skills. We will produce pictures of our dream destination. Where will you go on your adventure?

As **Historians** we will be learning about famous explorers. Our special focus will be on Christopher Columbus, Ibbn Battutu and Neil Armstrong. We will explore their explorations!

As **Geographers** we will locate, use world maps, atlases and globes to identify the explored countries, as well as the continents and oceans. We will also take a trip to the moon!

## English:

As writers we will be looking at a range of genres such as non chronological reports, diaries, narratives and information texts.

In grammar we will be learning about how to use conjunctions to join sentences and expanded noun phrases.

## Maths:

In maths we will be focusing on an array of mathematical areas including; number, multiplication and division, statistics, geometry, measurement, fractions and time.

## British Values:

The British value we will be exploring is:  
Individual liberty

## Music:

Water: We will explore ways of using our voices expressively and develop skills of singing through a given word/phrase/action.

Travel: We will learn and develop an understanding of music from different cultures through counting, body percussion and reading scores.

## Computing:

In computing this term we will create, manipulate and retrieve digital content. We will become more familiar with word processing programs such as Microsoft Word and learn how to save and open documents that we create. We are also going to look at communication through e-mails.

## SMSC:

Throughout a range of subjects during this topic we shall be developing as thinkers, answering questions and solving moral dilemmas.

## French:

As linguists this term we will be focusing on naming fruits, pets and part of the body in French.

Mon cheval aime les carottes !

## PSHE:

During our PSHE session we shall cover a range of themes including

- Praise and criticism
- Personal power
- Choices and consequences
- Anger and how to deal with it
- Celebrating differences

## Enrichment:

We are going on our own expedition to Destination: Unknown.
