Dear Parents, Carers and Friends

Wow, what a busy few weeks it has been in school. We have attended many more sporting competitions, and I have been delighted with the feedback from the adults who have taken the children about their resilience, team approach and competitive spirit.

Teachers have been working incredibly hard in school completing assessments with the children, marking assessments, writing reports, and then meeting to discuss the children’s progress and identifying the work we will put in place to further develop the children’s learning. This is a great opportunity for me to familiarise myself with all of the children and their learning across the school as well as understanding what our children’s needs are at Tackley and can help the Governors and I plan where the school needs to continue to develop and grow over the coming academic year.

I am delighted to let you know that Mrs Tester had a baby girl Lottie yesterday. I am sure you will join me in wishing Mr and Mrs Tester congratulations, and lots of happiness in their new life together as a family. We are hoping Mrs Tester will come and see us with Lottie when she is ready to venture out.

Mrs York and I are also pleased that we appointed a new Office and Finance Manager who will start with us in September. Mrs Ford is moving from Lewknor Primary School and will be working over 4 days with Mrs York in the School Office.

I hope you all take the opportunity to celebrate with your child on Friday their report, if you have any queries about the content of the report or the assessments reported please speak to your child’s class teacher at Open Afternoon between 3.00—4.00pm on Wednesday 12th July.

Class structure for next year

Due to changes in numbers this coming academic year, we are going to alter the structure of our classes slightly in Key Stage One.

From September classes will be:

Medcroft Class	Reception and Year 1	Miss Malone
Nethercote Class	Year 1 and Year 2	Miss Murphy
Harborne Class	Year 3 and Year 4	Mrs Skinner
Rousham Class	Year 5 and Year 6	Miss Hill

If your child is in Year 1 next year, you will be informed with a letter in your child’s class report which class your child will be in.

Focus on Medcroft Class

Medcroft have been very creative lately with a lot of designing happening. The children have made paddling pools, swings, bridges, streams and many other things. We have been making the most of the weather and lots of learning has been happening outside.

Sports Day

Our Sports Day this year will be on Wednesday 19th July from 1:00pm. Parents are invited to join us for this on the field. The afternoon will be organised by Club Energy and will involve athletic activities and running races. Please can children come to school in the morning in their school uniform and bring a t-shirt in the colour of their house to change into, along with shorts and trainers.

Our value this term is: Forgiveness. “There is no love without **forgiveness**, and there is no **forgiveness** without love.”

Book Fair in School

Thank you to everyone who purchased books from our recent Book Fair. Due to your purchases, we were able to select 18 new books which have now been added to the class reading corners and we also took the opportunity to use some previous vouchers to further boost our bookshelves with an additional 21 books.
