

28th June 2018

Yenworthy Lodge Residential Trip – 29th June to 1st July 2018

It's here – our return trip to Yenworthy Lodge!

This is just a reminder for children to bring their luggage for the trip into school tomorrow morning and for yourselves to hand any medication and forms in to Mrs Roberts. Please bring their luggage to the hall where it will be stored until they are due to leave for Yenworthy Lodge after lunch.

Yenworthy have confirmed that children do not need to bring wellies with them on this trip. You may want to put some goggles in their luggage as we are expecting to swim during the trip and it's essential they bring named sun cream.

Children will have lunch in school as normal. All children will need to bring a rucksack with something to keep them occupied during the journey (no electronic devices), a snack for the journey, a named water bottle and a lunch box for use while they are away. They don't need to wear full school uniform, wear clothes suitable for the journey and a school jumper or cardigan.

We hope to watch a dvd for part of the journey. If you have any objection to your child watching a PG film please speak to a member of staff in the morning.

We will keep you updated on their arrival and activities via the website twitter log and of any delay to their expected arrival time of 5.00pm on Sunday 1st July.

The weather forecast is lovely for the weekend – how different the photos will be compared to those in February!
