13<sup>th</sup> September 2018

Dear Parents/Carers,

I hope you have all had a lovely time over the summer, the children are settling well back into the school routine, and for the Year 5s, into their new class. We are looking forward to a very exciting and productive year. In addition to myself this term we are extremely fortunate to have Mrs Rolfe in the classroom supporting children with their learning as well as Mrs Murrey teaching on Fridays.

This term our topic is 'To infinity and beyond!' The children are already enjoying learning about the different planets of our solar system and have begun to create their very own imaginary planet. We will continue to build upon what we know about space and space travel throughout the term. It is a fascinating subject and we hope to be able to enrich the children's learning through a visit to the National Space Centre later in the term.

In English we shall be continuing to build upon the children's understanding of various genre through quality texts. Reading at home is still very important for your child. Please continue to encourage them to do this. This term in Maths we shall be investigating numbers, solving problems and developing our understanding of shape and space.

Please see the topic web on the reverse of this letter as well as our class page on the website for more details of the curriculum.

For homework this year, children will receive maths, topic and spelling homework each week. This will go out on a Friday and should be returned to school by the following Wednesday. Any questions regarding your child's homework please do come and see me.

In Rousham we shall be doing **P.E.** on a **Wednesday afternoon**, please ensure your child has their PE kit, including trainers, in school and that all items are clearly labelled. The children will also be **swimming** on a **Tuesday morning** for the first part of the autumn term. Please ensure your child brings their swimming kit, including a hat, in to school every Tuesday.

Please make sure that all clothing is clearly labelled. Children should be sent with a labelled water bottle to keep in class which they can access throughout the day.

If you have any questions or queries please come and see me, or contact the office to arrange a convenient time to meet.

Yours faithfully,

Miss S Hill  
Rousham class teacher
