Dear Parents/ Carers

Year 4 Multiplication Check 2019

Next week your child will take part in a multiplication check. This is a pilot for a new test designed by the Department of Education to check the fluency of children's times table knowledge in Year 4. Next academic year, the check will become a statutory test similar to the phonic check, KS1 and KS2 SATs.

The check takes place on-line and the children are required to answer 25 times table questions. The children have six seconds to answer each question. The children will take the check in small groups and it will be administered in the classroom by Miss Holliday.

Children continue to practice completing their times tables in timed scenarios and they always enjoy these activities.

Results of the check will be included within your child's annual report.

Should you require any further information please do not hesitate to contact myself or Miss Holliday.

Best wishes

Mrs LJ Murrey
Headteacher
