2020 Competition – '2020 Vision'

Dear Parents and Carers,

We are excited to share details of how children can enter the *Young Art Oxford competition* which is in aid of Cancer Research UK Kids & Teens this year. Artwork will be judged in age categories.

The theme this year is '**2020 Vision**'. The judges applaud variety and individualism, and this title allows for a great breadth of responses. Some suggestions for the theme are:-

- Seeing the world through your eyes in the year 2020
- Issues that affect you or the world in general
- How other people see the world
- Animals and their vision
- Machines and inventions to do with vision
- Loss of vision – metaphorically and physically
- Dreams and visions – personal ones, historical or religious

It is optional to enter this competition. Children must complete a piece of art on the theme of '**2020 Vision**' using any of the following materials: oil, watercolour, pastel, crayon, pencil, poster paints or ink. The artwork should be completed on rectangular sized good quality paper (not card) up to A3 size (42cm x 30cm) and no bulky collage or computer generated images are permitted. Pictures should not be mounted. Pictures can have short captions.

Children's full name, year group and school should be written neatly on the **back of the paper only** in block capital letters. Please do not write any of this information on the front of the entry. You may include a short explanation about the picture on the back.

If you would like to enter the competition, please bring the art work to school with £2 entry fee (which will be donated in full to Cancer Research UK Kids and Teens) by **Monday 24th February at the latest**. Please bring all entries when completed to the school office.

For more information please visit www.youngartoxford.com. We are looking forward to seeing the children's entries to the competition.

Best wishes,

Mrs L J Murrey
Headteacher
