### Catering

Dear Parents

As you will know from my earlier post in the last newsletter we have a new catering provider from Term 5. This is a local company called Fresh Start Catering and they provide school lunches in many schools around Oxfordshire.

Andrew Howarth and Kate Quinn from Fresh Start will be running a parents meeting on Tuesday 24<sup>th</sup> March from 3:15 in the hall. There will be food samples for you to taste from the school lunch menu and a short presentation from Andrew about Fresh Start and the offer they make to schools. Please make a note in your diary and come along to find out more about the food Fresh Start will be providing.

Each day there will be four options available to your child. A sample menu can be found at <https://freshstartcatering.uk/current-menus/>

Meals will need to be ordered a week in advance using Fresh Start Catering's Meal Manager system. This also takes payment at the point of ordering. The pre-order feature is crucial to be able to make a varied offer of food to your children, whilst reducing food waste. After the meeting in March you will receive a letter with a unique ID and Password to be able to set up an account within Meal Manager.

Please can you complete payment for all lunches up to the end of the spring term on ParentPay by Friday 3<sup>rd</sup> April. Any credits on school lunches after this date will be re-credited back to the payee.

I know it will take some adjusting to for parents (and children), however I am confident that the range of food being offered and the fresh home cooked offer that Fresh Start will be providing for your children will be worth the extra time and organisation.

Please do come along on Tuesday 24<sup>th</sup> March and see what Fresh Start have to offer.

Mrs L J Murrey  
Headteacher
