### Announcement from Gavin Williamson, Secretary of State for Education

Dear Parents and Carers

You will obviously have lots of questions following the simultaneous announcements yesterday by the Secretary of State for Education and the Prime Minister about school closure from tomorrow (Friday), for all children except children of key workers, children with Education Health Care Plans and vulnerable children.

We are expecting a full list today of key worker categories from the Cabinet Office and will be seeking clarification about if this applies to you.

At school, currently, we know as much as you do about this situation, though do expect further clarification later today. This will undoubtedly involve all staff managing a shifting situation, whilst maintaining as 'normal' a school day for the children, as they are always our first priority.

To support us in this, please can I ask that you do not contact school unnecessarily - we will pass on further details as soon as they are available via email.

Thank you for your continued patience and understanding in these unsettling and challenging times.

Kind regards

Mrs L J Murrey  
Headteacher
