Online Safety Workshops

Dear Parents

During this time of home learning it is increasingly important to be aware of your children's online safety. Children are spending longer online through online learning opportunities as well as socialising with their friends.

123ICT is our ICT technical support company and are able to offer parents of children at Tackley School a **FREE** virtual parents Online Safety workshop. This is open to all parents from all of our contract schools.

Parents should sign up by completing our online registration form:

<https://bit.ly/123ICTPOS> or <https://forms.gle/VcDTzzA2APYK5QdW7>

Joining instructions will be sent directly to parents at the end of June via the email address they use for registration.

The session will cover:

- The risks of using the internet;
- Tips and suggestions on how to reduce these risks to keep your children safe online;
- Signposting to further resources and information;
- Advice on how to get help if things go wrong;
- Tips for remote learning and remote video lessons; and
- The chance to ask questions.

Please do use this opportunity to find out more about how to keep your children safe online.

Best wishes

Mrs LJ Murrey
Headteacher
