Dear Parents

**After School Club Provision : Autumn Term 2020/2021**

We are asking parents to consider what their requirements would be for After School Club provision in September. Working on the assumption that school opens to all year groups as normal, please could you indicate via the link below, what sessions you would book regularly from September for the Autumn term.

It is important now more than ever with a very stretched budget that parents support this wrap around care.

Best wishes
