25th September 2020

Reception Forest School

Dear Parents

I am excited to let you know that next Tuesday, 29th September, will be our first Forest School session. Every Tuesday children will need to come to school in their school uniform as usual and bring a set of comfortable, practical clothes to change into ready for an afternoon in Forest School. We will provide waterproof trousers and jacket. Although we have spare wellies, children are encouraged to bring their own. Please be aware that Forest School takes place in most weathers so children will need to bring clothes to match the weather.

In order to support the children to become familiar with the routines and ethos of Forest School we will use the school field for our first session. This will provide the opportunity for children to get themselves ready for Forest School within a longer time frame, initially. The following session will be on the playing field next to school and the third and fourth session will be at Jubilee Gardens. We will then review whether they are ready to walk up to the Heath.

Many thanks for your continued support.

Best wishes

Miss L Malone
Forest School Lead
