3<sup>rd</sup> September 2020

Dear Parents

### Welcome back 2020/2021

I would like to welcome you all, at the beginning of this new academic year, with a special thought to those children who joined our school this week, both in Early Years and other year groups. The children have quickly adapted to the new procedures in school, and have settled in really well. We are looking forward to a positive and productive year ahead.

We will continue to send you the school newsletter fortnightly on a Thursday. School events will be included in the newsletter and are on the calendar on the school website, you will also receive a copy of The Really Useful Card with the significant dates and events on for this academic year next week. You will appreciate that there are significantly less whole school events planned for the Autumn term, as we adapt to a different way of working taking into account social distancing.

The Parents Information meetings will take place next week on:

Wednesday 9 <sup>th</sup> September	4:30	Nethercote
	5:00	Harborne
	5:30	Rousham

These are informal sessions with your child's class teacher and provides you with additional information about routines and curriculum for this year. These sessions will take place in the Hall and we request that parents who choose to attend socially distance from each other. The presentations and information shared will also be available on the school website on the class pages on the same day.

With best wishes for the coming academic year.
