

## Extreme Earth

Year 5/6  
Autumn Term

### Maths

As mathematicians we shall be developing our understanding of Place Value, Number and the Four Operations and Fractions. We will continue to make use of acquired skills and knowledge to solve a variety of mathematical problems and puzzles.

### English

We will learn about Gothic Fiction, Blogs and Reports, Significant Authors and Poetic Language.

### Computing

In computing we will be learning about Internet Research and Web Design and Flow.

### Science

As scientists we will be learning about properties and changes of materials and earth and space. We will be developing our investigative skills by carrying out a range of studies that require us to set up a fair test, make observations, record results and create scientific conclusions.

### Music

We will use percussion to create a storm composition and tell the story of a natural disaster.

### Religious Education

### French

In French our topics are 'Getting to Know You' and 'All About Ourselves'.

### Art and Design

As artists and designers we shall be studying Hokusai's The Great Wave and creating our own, creating tornado art, making clay animals and designing, making and evaluating a waterproof container.

### Enrichment

### Physical Education

PE this term will have a focus on personal fitness and challenge.

### History and Geography

We will learn about extreme climates and weather, the water cycle, earthquakes, tsunamis and volcanoes.

### PSHE

Our theme for PSHE is 'Healthy Bodies, Healthy Minds'. We will learn about how to keep ourselves healthy and safe, body changes, relationships and reproduction.
