Chairs Report

Thank you for joining us today!

Now, more than ever it is important to help our school financially, so we really appreciate your support.

I don't need to remind you what a strange and anxious year it has been, and in terms of the PTA, we sadly missed out on some of our big fundraising events (mainly the fete) and as we look forward, it seems that our opportunities to fundraise are still going to be very limited. However, with such an imaginative and committed group of people, I know that we will be able to still find ways to raise funds for our school. The funds are still pretty healthy but we will start to feel the pinch soon. I personally feel that we should try to look further afield for our funding now, as we know that a lot of our families here are feeling the pressure that the pandemic has caused. The Blenheim Bursary will be taking applications later in the year and I think avenues like this would be a good thing to concentrate our efforts on.

So now let's focus on the good stuff...
