3rd January 2021

Dear Parents

Return to school January 2021

I hope you and all of your family have had a good Christmas. You will have heard over the last week that the Government issued new restrictions for some primary schools from the start of the new term. Although Oxfordshire is in Tier 4, I can confirm that we will be open for all children from Tuesday 5th January 2021.

You will be aware that rates of COVID-19 across the country are increasing. I understand that many parents may be feeling anxious about sending their children back to school. We will do everything we are able to keep children safe in school. We will continue to work as class bubbles, we will continue with regular hand washing and sanitising of key touch points throughout the day. We will continue where possible to encourage children to socially distance from each other and staff in schools. We will continue to keep windows and doors open in school throughout the school day.

We ask that parents continue to wear face coverings when they drop off and collect their children from school and observe social distancing with other parents and children, as well as school staff. We also ask that to minimise footfall around the school at pick up and drop off that only one parent/carer accompanies the children.

If your children or anyone in your family has tested positive for COVID-19 over the Christmas break and you are self-isolating, please contact the school office by emailing office.3144@tackley.oxon.sch.uk and confirm the date of a positive test result.

As a Headteacher I am informed at the same time as everyone else about any change to Government policy regarding closures to schools. Any decision we make locally about moving to a whole school or class remote learning offer will always be made with the safety of the children, staff and wider school community first and foremost.

Many thanks for your continued support, in what continues to be very challenging times for our school community.

Kind regards

Mrs L Murrey
Headteacher
