3rd September 2021

Dear Parents

Welcome back 2021/2022

I would like to welcome you all, at the beginning of this new academic year, with a special thought to those children who joined our school today as Reception children. It has been a delight to have the children back in school today, hearing their excited chatter and seeing them learning and playing together. We are looking forward to a really positive and productive year ahead.

Shared Headship arrangement

As you know my Headship role is shared between Tackley and Wootton-by-Woodstock schools now. I plan to be at Tackley for either a morning or afternoon session every day. If parents need to make contact with me please do so by in the normal way by emailing office.3144@tackley.oxon.sch.uk or catch me at the school gate in the morning or afternoon. In my absence if you have anything urgent please speak to Mrs Barnett who is Assistant Headteacher and deputises when I am not on site at Tackley.

Newsletter

We will continue to send a school newsletter fortnightly on a Thursday. School events will be included in the newsletter and will be on the calendar on the school website, you will also receive a copy of The Really Useful Card with the significant dates and events on for this academic year.

Class teacher update

Early next week you will receive a letter from your child's class teacher with information about the day to day running of the class, home learning and a curriculum map showing which areas of the curriculum the class are learning about this term.

COVID-19

Just a reminder to parents that we are now working with new guidance from the Department for Education regarding COVID-19. The guidance for parents can be found here [Parents and carers guidance](#) We have updated our risk assessment and will continue with additional hygiene measures in school, and ensuring there is good ventilation in the classrooms and shared spaces.

We have been asked to have contingency plans in place and consider these as part of our risk assessment taking into consideration how we would operate if there was an increase in cases at school level, locally or nationally. I have attached a plan for parents to this letter.

Kind regards

Mrs L Murrey
Headteacher
