

Welcome to the weekly update for Reception.

Home Learning - 12/05/23 – Term 5, Week 4

Literacy/Topic	Maths
<p>This week we have been learning about travel through the air. Please explore this more at home by talking, drawing and writing about places you would like to fly to! What would you see? How would you get there?</p>  <p>Children will also have a 'Oxford Reading Tree' book and a library book to share with an adult every weekend.</p>	<p>This week we have been learning how to make simple addition sums by using first, then and now stories.</p> <p>Please have a go at creating your own stories. For example, 'First, one child got on the bus. Then, three more children got on the bus. Now, there are four children on the bus. You can create these verbally or record the numbers to create a number sentence.</p> <p style="text-align: center;">First Then Now</p> <div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; width: 100px; height: 100px; margin: 5px;"></div> <div style="border: 1px solid black; width: 100px; height: 100px; margin: 5px;"></div> <div style="border: 1px solid black; width: 100px; height: 100px; margin: 5px;"></div> </div>

Week Beginning 15th May – Term 5, Week 5

Next week we will be learning...
